

Tania Major honoured as an outstanding young person of the world

Tania Major with her award

Chosen by a distinguished jury in the category of “Political, legal, and/or governmental affairs,” Tania Major was honoured as an Outstanding Young Persons of the World in New Delhi, India, this week.

Tania received this honour for her advocacy and lobbyist work, working with young people and educating Australians about the plight of Aboriginal Australians.

Tania is currently being assisted in her Public Policy studies by Cape York Partnerships via a scholarship funded by the Mundango Charitable Trust. She works closely with the Cape York Institute on welfare reform, youth development and community consultation.

Cape York Partnerships would like to congratulate Tania on this fantastic achievement.
