

## Cape York Partnerships Aurukun Family Day

*FIM employees work at the FIM 'shop' - an activity to teach kids the value of money*

Cape York Partnerships (CYP) held a Family Day in Aurukun recently to celebrate the opening of the new Family Income Management (FIM) office and promote our projects.

The day was a huge success with the locals getting the chance to discuss opportunities within the CYP FIM, Work Placement Scheme and Student Education Trusts (SETs) projects.

The Mayor of Aurukun, Neville Pootchemunka, formally opened the event by welcoming CYP and encouraging the Aurukun community to visit the FIM office to discuss their financial needs.
