

## Season's Greetings from Cape York Partnerships

The team at Cape York Partnerships (CYP) would like to wish you and your families a happy festive season and a prosperous 2009.

2008 has been a year of significant milestones for CYP with all of us working hard to implement our projects and processes to support our growing organisation.

In 2009, we will continue to focus on our three education projects (Attendance Case Management, Student Education Trusts and MULTILIT), Family Income Management, Pride of Place and the Work Placement Scheme.

2009 will also see the formal merge of Cape York Partnerships with the Welfare Reform Program office to complete our transformation to "Cape York Partnerships for Welfare Reform". Look out for our new logo and updated website early in the new year.

The Management team would also like to take this opportunity to thank staff and our partners for their work and support this year.

\*We have opted for an E-Christmas card this year and the savings we make on the paper will be utilised for our welfare reform projects which will ensure the indigenous people of Cape York have lives they have reason to value
