Cape York Partnerships Family Promotions Week got off to a great start in Mossman Gorge this week!

CYP projects have used the week to showcase their projects with great success. Student Education Trusts has sold over \$2200 worth of educational goods and toys in the community in just a day and a half.

The Family Income Management project held budgeting workshops, MULTILIT demonstrated tutorials throughout the week whilst new welfare reform projects utilised the event to conduct community consultations.

The Promotions Weeks are being held to increase individual and family knowledge of CYP, welfare reform and projects. They will be held in each of the four welfare reform communities during May.
